

Donald's Story

AN INSPIRATIONAL STORY OF STRENGTH,
COURAGE AND DETERMINATION

Cease For Peace founder, Donald Williams, was raised in LA's inner city where life was tough, the streets were rife with warfare, and mentorship was nowhere to be found. Donald fought to stay connected and not give into fears and discouragement. Along the way, he found brotherly support, love and caring, which allowed him to overcome life's adversities. Through his community-based non-profit, Cease For Peace, Donald is giving back by mentoring young men from the inner city, offering them the opportunity to flourish and succeed.
